

Hope Mountain Vaulters

Cancellation Policy

Inclement weather cancellation or unforeseen circumstances

If class is cancelled due to weather or illness Hope Mountain will provide additional make up class time in the spring or summer. All families will be notified in advance when that time is scheduled. If a vaulter misses class due to sickness they may arrange with their coach to attend a different class if there is available space in that class.

Hope Mountain Vaulters in unable to give discounts or credit if class is missed due to sickness, family vacation, injury or unforeseen circumstances.

Due to the busy schedules of our volunteer moms who run Hope Mountain Vaulters we are unable to add individual make up times for vaulters.

Please feel free to contact your coach with any questions.
